Head of School: Mr B. Janes BSc Hons, NPQH  
Executive Headteacher: Mrs G. Booth BA Hons, M.Ed.

JW/AOS

5<sup>th</sup> March, 2018

Dear Parent/Carer

With the summer exam season fast approaching, I am writing to inform you that Year 11 pupils will sit a series of assessments in the exam hall (see attached timetable). The results of these assessments will be used by teachers, alongside other assessments, to monitor and track your child's progress. The experience of sitting a full exam paper will also assist pupils' preparations for their final GCSE examinations in the summer term.

Pupils have been preparing for these assessments for some time but it is important that they are revising thoroughly in the final build up to these assessments. For more details pupils should consult the guidance offered by their English, Maths and Science teachers.

Please note that the Science assessments will incorporate mini assessments for each of the separate science courses. Further guidance regarding revision materials and websites can be found in the document *Year 11 Pupil and Parent Survival Guide* issued earlier in the year at the Year 11 Curriculum Information Evening. This document is also available on the school website.

Yours faithfully,

Mr J Walters  
Assistant Head teacher
