Dear Parent / Guardian,

As you will be aware, your child has completed the first of three GCSE Maths papers. They will have another two examinations to complete after the half-term break.

We are keen for the Year 11s to spend their half-term wisely, so we want to let you know that we have uploaded a series of resources onto the Academy website which we are sure will help. These can be found at:

<http://ianramsey.org.uk/pupils/revision-resources/>

There are lists of topics which have yet to be assessed on the first paper, for both the Foundation and Higher tiers. Additionally, we have provided questions on these topics, along with the answers.

If your student requires any extra help please encourage them to email me at bonea@ianramsey.org.uk – I will be happy to help in any way I can.

Yours sincerely,

Andrew Bone
Senior Leader Director of Maths
