

## Middlesbrough College

Please find below links to our Y11 study packs page which we are encouraging prospective students to engage with: <https://www.mbro.ac.uk/school-leavers/year-11-packs>

We also have a wide variety of upcoming zoom live webinars from different departments across College: <https://www.mbro.ac.uk/about-us/events>

Students will be required to pre-register onto these and download zoom in order to access them. These sessions are designed to allow students to meet their tutors, gain an insight into the courses and ask any questions they may have. Certain departments will also incorporate live demonstrations into these sessions for students to view.

## Northern School of Art

I'm pleased to provide a 10-minute video about **The Northern School of Art (Further Education Campus)**.

Download here: <https://we.tl/t-31msFBMS72>

(download expires after a couple of days)

You may want to forward this on to your Y10/11 students or run the video as part of your virtual assemblies or even embed onto your own online platforms.

We also have a **new creative careers webpage** featuring information about creative economy, industry sector, pay & opportunities, alumni gallery and interviews at <https://northernart.ac.uk/creative-careers/>

### **Some things to note:**

- We are still accepting applications for this September 2020
- Dedicated Bus Services are operating in-and-around the Tees Valley
- We have the highest achievement rate in the Tees Valley
- In September 2021 we will have relocated to the centre of Middlesbrough in a brand new £14million building.
- Interested students should contact us at [studentrecruitment@northernart.ac.uk](mailto:studentrecruitment@northernart.ac.uk) or call 01642 288 888.

## Askham Bryan

Yes we have a number of things pre-recorded see below links –if you scroll right to the bottom of this page we have Middlesbrough Campus presentations

<https://www.askham-bryan.ac.uk/students/apply-now/find-out-more>

## Queen Elizabeth Sixth Form College Bridging Material

If you have a look, this same information would also be very useful for Y10 who have been unable to attend visits etc. We will shortly be developing an expression of interest tab for Y10 to complete so if you could get Y10 as well as Y11 to engage with the materials that would be fantastic. The following link should also be very useful - <https://sites.google.com/g.qeliz.ac.uk/bridging2020/subject-websites>
