

DAYSPRING TRUST

Ian Ramsey CE Academy

Accessibility plan

Ratified by: Executive Headteacher

Date of review: September 2021

Date of next review: September 2022

The Dayspring Trust aims to serve its community by providing an education of the highest quality within the context of Christian faith and practice. It encourages an understanding of the meaning and significance of faith and promotes Christian values through the experience it offers to all its pupils. We believe that our Christian values spring from the two great commandments, 'Love God and love your neighbour'. We seek to live this out through the power of the Holy Spirit. St Paul reminds us in Galatians 5.22-23 that the fruit of the Spirit is 'Love, joy, peace, patience, kindness, goodness, faithfulness, gentleness and self-control'. These are also underpinned by the Old Testament injunction to 'Do justly, love mercy and walk humbly with our God', Micah 6.8.

These values rooted in the Christian Faith come as a package and we aim to embed them in the life of our academies in a worked-out way. We recognise that at times we may highlight particular values to bring them into greater prominence within our academies and these are currently the five values of Forgiveness, Hope, Joy, Perseverance and Wisdom. We believe these values to be in accordance with British values springing from our Judeo-Christian roots. Collective worship will play a major and vital part in assisting with this process of embedding these values in the life of our academies.

The Multi Academy Trust Members and Directors are aware of their responsibilities in law and are committed to the provision of an excellent education within its academies in accordance with our Anglican foundation. This is embraced in our Dayspring Trust vision statement:

- **Forge a supportive and challenging family of academies**
- **Provide excellent education within a strong Christian community**
- **Resource our pupils for wise and generous living**

In addition, each academy also has its own distinctive mission statement, flowing out from the vision statement of the Dayspring Trust.

At Ian Ramsey CE Academy:

'Together to learn, to grow, to serve.'

This is embodied in scripture:

'Each of you should use whatever gifts you have received to serve others, as faithful stewards of God's grace in its various forms.' - **1 Peter 4.10**

At Venerable Bede CE Academy:

'Soar to the heights together.'

This is embodied in scripture:

'But those who hope in the Lord will renew their strength. They will soar on wings like eagles; they will run and not grow weary, they will walk and not be faint.' - **Isaiah 40:31**

This policy has been developed to take into consideration our ethos as well as local and national policy and guidance.

1. Aims

Schools are required under the Equality Act 2010 to have an accessibility plan. The purpose of the plan is to:

- Increase the extent to which pupils with disabilities can participate in the curriculum and extra-curricular activities
- Improve the physical environment of the school to enable pupils with disabilities to take better advantage of the education, benefits, facilities and services provided
- Improve the availability of accessible information to pupils with disabilities

Our trust - and each academy within it - aims to treat all of its pupils fairly and with respect. This involves providing access and opportunities for all pupils without discrimination of any kind.

The academy will not treat pupils with disabilities less favourably than other pupils.

We will make reasonable adjustments for pupils with disabilities, so they are not at a substantial disadvantage and we will plan to increase access to education for each one.

The plan will be made available online on the school website, and paper copies are available upon request.

Our school is also committed to ensuring staff are trained in equality issues with reference to the Equality Act 2010, including understanding disability issues.

The school supports any available partnerships to develop and implement the plan, including within the trust, the Local Authority, the diocese and other networks.

The academy's complaints policy covers the accessibility plan. If you have any concerns relating to accessibility in school, this procedure sets out the process for raising these concerns.

We aim to include a range of stakeholders in the development of this accessibility plan, including where appropriate, pupils, parents, staff, academy council members, directors and professional stakeholders.

2. Legislation and guidance

This document meets the requirements of [schedule 10 of the Equality Act 2010](#) and the Department for Education (DfE) [guidance for schools on the Equality Act 2010](#).

The Equality Act 2010 defines an individual as disabled if he or she has a physical or mental impairment that has a 'substantial' and 'long-term' adverse effect on his or her ability to undertake normal day to day activities.

Under the [Special Educational Needs and Disability \(SEND\) Code of Practice](#), 'long-term' is defined as 'a year or more' and 'substantial' is defined as 'more than minor or trivial'. The definition includes sensory impairments, such as those affecting sight or hearing, and long-term health conditions, such as asthma, diabetes, epilepsy and cancer.

Schools are required to make 'reasonable adjustments' for pupils with disabilities under the Equality Act 2010, to alleviate any substantial disadvantage that a disabled pupil faces in comparison with non-disabled pupils. This can include, for example, the provision of an auxiliary aid or adjustments to premises.

This policy complies with our funding agreement and articles of association.
