

Read like a... **DESIGNER**

Look for key biographical information about the designer.

When and where were they born and where did they create their work? What key life events affected their designs?

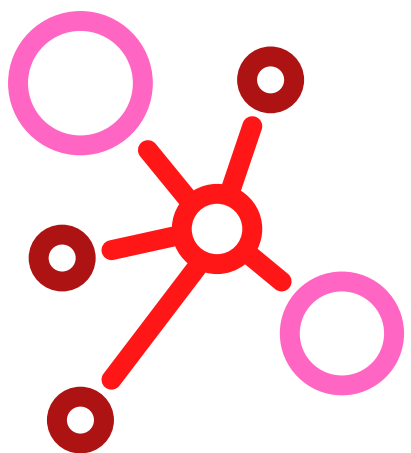

Identify key artistic elements and techniques.

What techniques has the designer used? What tools and techniques have they used? What category of colours has been used?

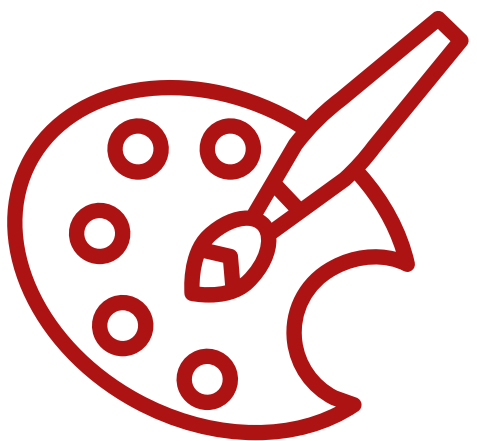

Look for the BIG IDEAS behind the design.

What do you think the designer is trying to say or achieve through this product?

Look for links with other designs you have seen.

What are the similarities and differences with other designs you have seen? Does this link to a particular design style?

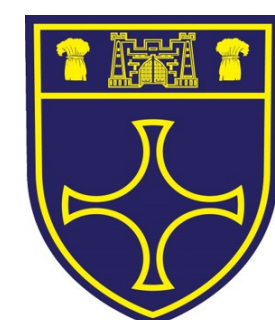

Look for inspiration for your own work.

Do you like or dislike the design? What ideas could you take forward into your own work?

'Design is intelligence made visible.'
